

PART 3

Questions 27 – 30

Complete the sentences below.

Write **NO MORE THAN TWO WORDS** for each answer.

Studying with the Open University demanded a great deal of **27**

Studying and working at the same time improved Rachel's **28**
skills.

It was helpful that the course was structured in **29**

She enjoyed meeting other students at **30**

Tapescript for IELTS Listening Recording 4

Two friends, Rachel and Paul, are discussing studying with the Open University. Rachel has already done a course at the university, but Paul has not. The extract relating to these questions comes from the last part of the recording.

- Paul** The other thing I wanted to ask you was, did you find it hard, studying with the Open University?
- Rachel** You mean, because you're studying on your own, most of the time?
- Paul** Mm.
- Rachel** Well it took me a while to get used to it. I found I needed to maintain a high level of motivation, because it's so different from school. There's no-one saying, 'Why haven't you written your assignment yet?' and that sort of thing.
- Paul** Oh dear.
- Rachel** You'll learn it, Paul. Another thing was that I got very good at time-management because I had to fit time for studying round a full-time job.
- Paul** Well I'm hoping to change to working part-time, so that'll help.
- Rachel** What makes it easier is that the degree is made up of modules, so you can take time off between them if you need to. It isn't like a traditional three-or four-year course, where you've got to do the whole thing of it in one go.
- Paul** That's good, because I'd like to spend six months travelling next year.
- Rachel** Huh, it's all right for some. Then even though you're mostly studying at home, remember you've got tutors to help you, and from time to time there are summer schools. They usually last a week. They're great, because you meet all the other people struggling with the same things as you. I've made some really good friends that way.
- Paul** Sounds good. So how do I apply?

Answers:

- 27 motivation
- 28 time(-)management
- 29 modules
- 30 summer school(s)
